

*Do you know that you can access our school online?*

Anytime

Anywhere

Easily

You don't need to call the school. It is very convenient!

I want to change my lesson schedule, but the school is already closed...

I wonder if my teacher left me a comment...

I want to check the notes for class.

All you need to do is access the school by computer or cell phone.

Please ask school staff how to access the online appointment system and other details.
